Important Questions	Answers	Why This Matters:
What is the overall <a href="#">deductible</a> for this <a href="#">plan</a> ?	\$0 EHP Select Pediatric provider; \$500/person, \$1,000/family; excludes charges above <a href="#">allowed amount</a> .	Generally, you must pay all of the costs from providers up to the <a href="#">deductible</a> amount before this <a href="#">plan</a> begins to pay. If you have other family members on the <a href="#">plan</a> , each family member must meet their own individual <a href="#">deductible</a> until the total amount of <a href="#">deductible</a> expenses paid by all family members meets the overall family <a href="#">deductible</a> .
Are there services covered before you meet your <a href="#">deductible</a> ?	Yes. <a href="#">Preventive care</a> and prescription drugs are covered before you meet your <a href="#">deductible</a> .	This <a href="#">plan</a> covers some items and services even if you haven't yet met the <a href="#">deductible</a> amount. But a <a href="#">copayment</a> or <a href="#">coinsurance</a> may apply. For example, this <a href="#">plan</a> covers certain <a href="#">preventive services</a> without <a href="#">cost-sharing</a> and before you meet your <a href="#">deductible</a> . See a list of covered <a href="#">preventive services</a> at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a> .
Are there other <a href="#">deductibles</a> for specific services?	Yes. \$1,000 lifetime deductible for infertility treatment.	You must pay all of the costs for these services up to the specific <a href="#">deductible</a> amount before this <a href="#">plan</a> begins to pay for these services.
What is the <a href="#">out-of-pocket limit</a> for this <a href="#">plan</a> ?	<b>Medical:</b> \$3,000/person, \$6,000/family. <b>Prescription drugs:</b> \$4,100/person, \$8,200/family.	The <a href="#">out-of-pocket limit</a> is the most you could pay in a year for covered services. If you have other family members in this <a href="#">plan</a> , they have to meet their own <a href="#">out-of-pocket limits</a> until the overall family <a href="#">out-of-pocket limit</a> has been met.
What is not included in the <a href="#">out-of-pocket limit</a> ?	Charges above <a href="#">plan</a> maximums, <a href="#">premiums</a> , health care this <a href="#">plan</a> doesn't cover, penalties for failure to obtain <a href="#">preauthorization</a> .	Even though you pay these expenses, they don't count toward the <a href="#">out-of-pocket limit</a> .
Will you pay less if you use a <a href="#">network provider</a> ?	Yes. See <a href="http://www.ehp.org">www.ehp.org</a> or call 1-800-261-2393 for a list of in-network providers.	This <a href="#">plan</a> uses a <a href="#">provider network</a> . You usually pay the least if you use an EHP Select Pediatric or Preferred <a href="#">Network Provider</a> . You usually pay more if you use an EHP <a href="#">Network Provider</a> . This <a href="#">plan</a> does not cover charges from <a href="#">out-of-network providers</a> . If you use an <a href="#">out-of-network provider</a> , you will be responsible for the full amount of the <a href="#">provider's</a> charges. Be aware your <a href="#">network provider</a> might use an <a href="#">out-of-network provider</a> for some services (such as lab work). Check with your <a href="#">provider</a> before you get services.
Do you need a <a href="#">referral</a> to see a <a href="#">specialist</a> ?	No.	You can see the <a href="#">specialist</a> you choose without a <a href="#">referral</a> .
